Advancing students, education and communities

2019 Awards Program

*Past award recipient and Professional Cook alumna **Tina Tang** (centre right) demonstrates how to make her award-winning cheesecake in the Port Alberni teaching kitchen.*

Advancing Students, Education and Communities for more than 25 Years

Established in 1991 in partnership with North Island College, the NIC Foundation team and its dedicated Board of Directors are committed to raising awareness and funds to support local students through scholarships and bursaries, equip classrooms with current technology, and ensure that the best possible learning facilities are accessible right here in our local communities.

Your investment in students today adds up to more than just dollars. The gift of education has the power to change lives, inspire future leaders, and create contributing citizens who will positively influence our communities and beyond.

Welcome

I would like to express my deep gratitude to our donor community for the support you provide to students and the College as a whole. Your caring and generosity are making a big difference in the lives of students and in the College's ability to support our communities.

While we have maintained a policy of keeping our tuition rates as affordable as possible, we know the cost of tuition is just a portion of the financial impact that students face in completing their education. Bursaries and scholarships ease financial stress and allow students to focus on their educational goals.

Your support removes barriers and helps put students on a path to success. On behalf of our students, communities and everyone at NIC, I thank you sincerely for your generosity.

*- John Bowman, President
North Island College*

My heartfelt thanks go out to all of our donors for the trust you have placed in North Island College and the North Island College Foundation as well as the investment you are making in the future of our communities.

The scholarships and bursaries you provide are instrumental in facilitating access to quality education. This year, you made \$534,000 available to NIC students! Through bursaries, scholarships, and awards, students are ever closer to achieving their educational goals.

We can't thank you, our kind donors, enough for providing these life-changing awards. Thank you for choosing to support North Island College and our students.

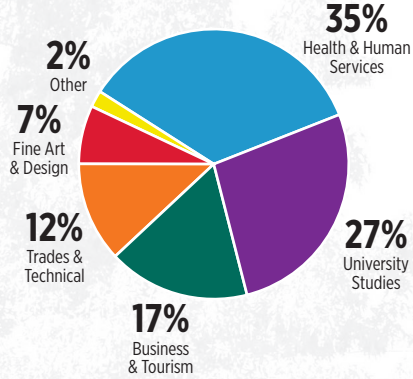

*- Ilona Horgen, Board Chair
NIC Foundation*

Your Impact

Thanks to your support, \$534,000 in scholarships and bursaries was made available to North Island College students in 2019.

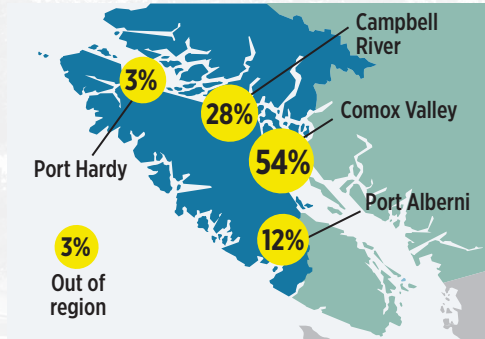

SUPPORT BY PROGRAM (% OF \$)

Students from all program areas were supported by your awards at varying stages of their education.

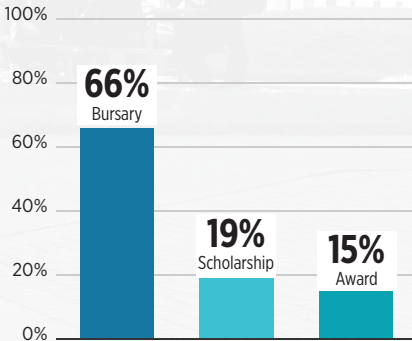

SUPPORT BY REGION (% OF \$)

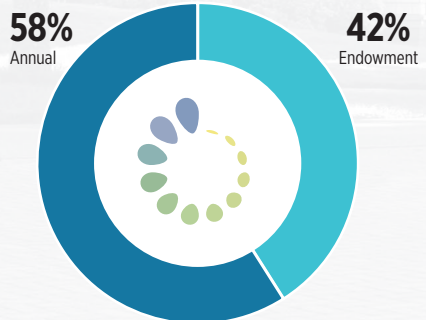

Students from all of our campus communities were supported by your awards. The percentage by region aligns with the proportion of students attending each campus.

Brighter Future

It takes a compassionate and generous community to ensure that students have access to quality education. We thank all of you who contributed to our scholarship and bursary program.

Looking ahead, we know NIC students will continue to need support and we thank you for helping us spread the word, open doors for students, and pave the way to a brighter future.

Award recipient **Marissa Hunter** shares, *"the bursary I received is helping me to continue with my passion and education with more ease from the financial stress that school can bring."*

*Past award recipient **Sarah Bergeron** now works as a professional artist based in the Comox Valley.*
